Way forward

Launching on a live session and a webinar with thousands views.

The TRS report and the anonymized bulk data set is available to the public.

Public and Private sector working together and engaged on solutions and reforms.

Conclusions and recommendations enrolled on the action plan from the National Committee on Trade Facilitation-NCTF.

Local Committees on Trade Facilitation with solid data for discussion.

New approaches can be reached by Academia.

More transparency, predictability and social scrutiny over the different actors.

Inspire harmonization of procedures.
